Tactrix has moved its operations from Seattle to San Francisco. Our new address is

Tactrix Inc.
126 Russ St.
San Francisco, CA 94103-4010

We are excited about our move to San Francisco and the improvements in our products and service that our new employees will bring!

Our new building is solar powered and generates more power than we use, so we can save our $CO_2$ production for going fast!
