

We ship to virtually every country in the world using a good discount from FedEx which we pass on to our customers. Many countries can be shipped to for around \$25 including Canada, Australia, New Zealand, UK, Japan, Singapore, Europe, South America, many areas of the Middle East, and more! The delivery time for FedEx Priority is surprisingly quick, with many customers in the previously mentioned countries receiving their shipments in just a few days. To get an exact quote based on your address, start the checkout process on our site and you'll see a quote before you're required to enter any payment information. If you start the checkout process on our site and no service is available, please [contact our support](#) so we can help figure out alternate shipping options.
